## Ideas for Fundraising

### “Chess Day” Casual Clothes Day

Everyone in the school dresses in black and white, or let the students be a bit more creative and see what happens! Gold coin donations add to your tally for Kids Off The Kerb.

### Auction off your 20 challenge seats

The 20 seats at the Challenge Table are very valuable, it's not every day kids will get this sort of opportunity! You can auction 5, 10 or all of your spots to the highest bidders; with money raised going to Kids Off The Kerb.

### Organise a House Chess Championships

All kids love their House Points and House Sports days. Why not have a House Chess Day and charge a small entry fee which is donated to Kids Off The Kerb?

### Organise a School Chess Championships

Charge a small entry fee for your official School Chess Championships, get a local business to sponsor a trophy and make it an annual event! Entry fees can be donated to Kids Off The Kerb.

### Collect a donation for each lesson you view

View the lessons in a group setting and ask for a gold-coin donation for each lesson.

### Teacher versus student challenges

If the teachers are brave enough!

### Sell some chess sets in your area

Chess sets can be sold for \$20 each, with \$10 going to Kids Off The Kerb. If you'd like to sell chess sets, contact us on 1300 424 377 and we'll send you some sets to start you off.

### Sausage sizzle or cake stall

Everyone loves these yummy fundraisers!

**All donations of \$2 or more are Tax Deductible.**
