## Parents Letter

Dear Parents and Caregivers,

Over the next 3-4 months our students will participate in the Victorian Chess Challenge. This consists of a series of online chess lessons followed by a visit and workshop from a Master Chess Coach. A select 20 students will have the opportunity to Challenge the Master during the visit, while everyone is welcome to attend as a spectator.

The organisers of the Victorian Chess Challenge (Chess Kids) have donated and encourage us to support Kids Off The Kerb, a charity that provides support for disadvantaged and at risk young people. Kids Off The Kerb give children and young people the chance to achieve a sense of worth, purpose and belonging.

As part of the Challenge, all students are asked to find willing supporters for Kids Off The Kerb. 100% of funds raised will be donated to Kids Off The Kerb. Donations of \$2 or more are Tax Deductible.

Donated funds are to be collected and brought to the school office along with the pledge form. All money is due by \_\_\_\_\_.

There is no set amount expected from each child. These events are designed to encourage and motivate students to learn and contribute to their community. It allows students to have a unique and enjoyable opportunity and raise money for Kids Off The Kerb.

If your child would like to take advantage of the chess lessons from home:

1. Go to [www.chesschallenge.com.au](http://www.chesschallenge.com.au)
2. Click on the “**Resources**” link and choose Beginner or Advanced from the sub-menu
3. Enter your Password (note, your password is case sensitive)

Password: <b>rook64</b>
