### Newsletter Template 1

We are helping disadvantaged and at risk young people and need your support!

Our students will be participating in the Victorian Chess Challenge: online chess lessons followed by a Master Chess Coach workshop. A select 20 students will get to challenge the master in person!

There are great prizes to be won for students who raise \$25, \$50, or more, for Kids Off The Kerb, a charity which gives children and young people the chance to achieve a sense of worth, purpose and belonging.

### Newsletter Template 2

We are participating in a Victoria-wide fundraising event - the Chess Challenge. Students will be collecting money to support disadvantaged and at risk young people, 100% of funds collected are being donated to Kids Off The Kerb.

As part of the Challenge we have access to some great online chess lessons and a select 20 students will have an opportunity to take on the Master!

We look forward to this year's inspiring and exciting events, and hope that your students enjoy Building Mental Muscles through chess.

### Newsletter Template 3

We are fundraising to help Kids Off The Kerb achieve its goals!

Students will be participating in the Chess Challenge 2011, having fun building their mental muscles by learning and playing chess, while raising money for Kids Off The Kerb.

This year we are hoping to raise \$\_\_\_\_\_, and hope that you will support our students as they collect donations.
